I am asking for your help in honoring the memory of Police Officer Thomas Wortham IV, who lost his life to gun violence earlier this year. The Chicago Football Classic Organization will be honoring the Wortham Family at the game between Alcorn State University and Mississippi Valley State University at Soldier Field, September 18, 2010. The organization has set aside a section at Soldier Field for supporters of the Wortham Family.

If members of the Department could purchase tickets for that section, a portion of the proceeds would be donated to the Thomas Wortham IV Foundation. Let's show the Wortham family that they have not been forgotten. Tickets can be purchased by calling Ms. Gail Swain at (773) 874 - 8000 x 4025. Thanks for any help you can give us in this endeavor to honor the memory of Police Officer Thomas Wortham IV.
